Trade association

Consumer Goods Forum

Is your position on climate change consistent with theirs?

Consistent

Please explain the trade association's position

As an active member, we understand The Consumer Goods Forum position to be that climate change is a major strategic threat, one which could affect our customers and their habitats, our businesses and the wider economy and society.

How have you, or are you attempting to, influence the position?

Our Company was instrumental in securing an HFC-free commitment on behalf of the full CGF membership in 2010 and helped coordinate three Refrigeration Summits for CGF Members to advance progress on these commitments.

Trade association

Refrigerants, Naturally!

Is your position on climate change consistent with theirs?

Consistent

Please explain the trade association's position

As an active, founding member of the organization, we understand Refrigerants, Naturally!'s position to be that we do not consider the use of HFC refrigerants (including unsaturated HFCs) as medium- or long-term alternatives since the global warming potential of these substances is high and therefore does not support a business as usual scenario.

How have you, or are you attempting to, influence the position?

We are founding members of Refrigerants, Naturally! and helped craft the policy positions.

Trade association

U.S. Chamber of Commerce

Is your position on climate change consistent with theirs?

Inconsistent

Please explain the trade association's position

We understand the U.S. Chamber of Commerce's position to be that there should be a comprehensive legislative solution that does not harm the economy, recognizes that the problem is international in scope, and aggressively promotes new technologies and efficiency. Protecting our economy and the environment for future generations are mutually achievable goals.

How have you, or are you attempting to, influence the position?

We recognize and understand the U.S. Chamber of Commerce's position. We have developed our own Position Statement on Climate Protection which outlines the plans and goals for our Company and broader Coca-Cola system.

C12.3e

(C12.3e) Provide details of the other engagement activities that you undertake.

As part of the lead up to and duration of COP21 and at COP22 we participated in a number of engagement activities. Some examples include participating in the We Mean Business Road to Paris Commitments including "Reduce short-lived climate pollutant emissions and "Low Carbon Technology Partnerships Initiative." We joined the White House-initiated American Business Act on Climate Pledge to demonstrate our "support for action on climate change and the conclusion of a climate change agreement in Paris that takes a strong step forward toward a low-carbon, sustainable
